MEIIE' GOLD PE-RT

Produced with
LUCENE™ SP980 LG PE-RT

5-layer oxygen barrier

Imported raw material
Oxygen barrier
KURARAY
EVOH

Non-toxic and harmless residues
Compliance with international standards for drinking water

Peroxide infrared crosslinking technology

5-layer technology
Oxygen barrier
Corrosion resistant

More temperature resistant
more pressure resistant
more wear resistant and creep resistant

Design life is more than 50 years

Selection table

| Pipe dimension | Meters/roll | Package size(mm) |
|----------------|-------------|------------------|
| Ø16*2.0mm | 400 | 800x800x270 |
| Ø20*2.3mm | 300 | 800x800x360 |
